

## THE EASTERN SHORE OF VIRGINIA HISTORICAL INDEX

The Eastern Shore of Virginia Historical Index represents notes on topics of potential interest to patrons of the Eastern Shore Public Regional Library and Heritage Center, 24313 Bennett Street, Parkley, VA 23421. Librarian Brooks Miles Barnes compiled the index throughout his career. The notes on any given topic are seldom comprehensive. Mistakes in the transcription of dates undoubtedly occurred. Most of the sources cited are in the collections of the Eastern Shore Regional Library and Heritage Center.
